Take a Breath

A Joint Gathering for Ministers
Serving in Metro Chicago & WI

Monday - April 15

You're invited to this time of refreshment with friends old and new. Our ABC-USA National Ministers Council Leadership Team has set aside the afternoon for connecting fellowship and spiritual practice, and warmly invites clergy and seminarians from Metro Chicago and Wisconsin to "take a breath" as New Creation (indoor and outdoor options). We're creating opportunities throughout the afternoon to connect with the Living Christ, yourself and others...culminating in an afternoon Worship, Fellowship and Early Dinner with national Ministers Council Leadership Team. Reconnect with your local colleagues, including local and national Ministers Council leaders. RSVP to host Pastor Jacki Belile by April 13 at jacki@livingwellministries.net.
